## WOMEN SHOULD BE FOR CHARLES E. HUGHES, SAYS ROOSEVELT.

"Mr. Hughes has unequivocally taken the right position, and as regards all other positions he, and not his opponent, is entitled to the support of both men and women, and therefore the women in the enfranchised states who do not in this election support him forfeit the right to say they have done their utmost for their sisters in the non-enfranchised states."—From a letter of Theodore Roosevelt to Miss Alice Carpenter.

## Need of Constructive Legislation.

Just before the European war broke out we had a million skilled mechanics out of work and nearly half a million railroad men were idle, together with nearly half a million freight cars. The railroads were suffering from lack of freight to carry to market, and industry was gradually becoming stagnant. In Louisiana two hundred thousand acres of sugar land were plowed up because of Democratic changes in the tariff law. It is generally conceded by all save the blind that the country was not progressing. Attempts were made to keep courage up by the predictions made by Secretaries McAdoo and Redfield and President Wilson of the great trade booms which were soon to appear but which failed to materialize until the outbreak of war on the continent.

## GRANDMA NEVER LET HER HAIR GET GRAY

She Kept Her Locks Dark and Glossy, with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.
